

WOLLONGONG GOLF CLUB

Waitlist Policy

Wollongong Golf Club's vision is to be a strong, vibrant member owned organization and to provide outstanding golf and hospitality services.

1. Wollongong Golf Club is now accepting waitlist applications for its full and transition categories of golf as they reach capacity.
2. To secure your name on the waitlist, a written submission of a membership application is required or submission via the waitlist section on the Wollongong Golf Club website.
3. The requesting applicant is to become a Social 1-year member of the Club for \$5 and pay a waitlist fee of \$50.
 - a. For existing golfing members that wish to transition into another category of golf, the \$50 will be added to their existing house account.
 - b. For non-golfing members of the Club, they will receive a \$50 gift voucher entitling them to 1 round of golf and cart usage on course.
4. The approved member will be classified as a social member of the Club until a golfing membership becomes available. Social members have all the privileges and rights associated with social membership and, in addition, can play golf on our course at visitor rates.
5. When a Golf membership becomes available, the Club will contact the member at the top of the waitlist category via email or phone. The member has 3 business days to accept the available position.
6. If the member chooses not to accept within the nominated timeframe, they can maintain their social membership or resign. If the member does not get in contact with the Club within the allocated timeframe, the next member on the waitlist will be contacted.
7. Member movements from existing 6-day members or Eagle members will be given priority over a social member on the waitlist.
8. The waitlist will not be capped at any stage.
9. On the completion of renewal subscriptions for the financial year, the waitlist members will be contacted by the 3rd week of July to inform them if a position has become available in the category of golf the waitlist submission was received in.
10. The decision of the Markets & Membership Committee in relation to any application is final.
